## COMMONWEALTH OF VIRGINIA STATE CORPORATION COMMISSION

## APPOINTMENT OF REGISTERED AGENT AND ESTABLISHMENT OF REGISTERED OFFICE

EXPLANATION OF THIS FORM: Every corporation doing business in Virginia has a registered agent and a registered office. A change can be made only by filing this Form 18. A new Form 18 must be filed whenever there is a change in the name or business address of the agent or whenever the agent dies, resigns or cesses to be qualified. Form 18A must be filed when a corporation changes its name.

The registered agent is the person to whom official communications are sent and on whom legal process is served. It is his duty to forward all such papers to the proper offices of the corporation. He should not be appointed without his consent in writing.

The agent once appointed remains the agent until his suc-

course la appointed. It is important for the corporation to know at all times who its registered agent is.

The word "OLD" will be used to describe the agent whe remains the agent until this form has been filed. The word "NEW" will be used to describe the agent who will be the agent after this form has been filed. (Of course the "old" agent may be the same person as the "new" agent.)
